**Unlimited Mat Pilates Classes refer to Planted in Pilates group mat sessions hosted by Ty's Garden, including Cup of Sugar classes, and select Tier 1 events (free and low-cost experiences priced \$25 and under). This benefit does not include private sessions, virtual sessions, group sessions booked by external parties, or specialty workshop formats. Class availability is subject to the current schedule and must be booked in advance through the Ty's Garden site or Wix Spaces app. Ty's Garden reserves the right to update class offerings and formats at any time. Membership does not guarantee enrollment in any specific session — bookings are first come, first served, with Garden Access members receiving priority access.*
